

2022-23 Student Discipline & Behavior Expectations

At Springs Charter Schools, we believe that students have unique needs and that expectations should be positive and must be taught. Just as academic skills are taught on an individual basis, we believe that students must be taught how to be successful. Within the Springs' community, all members are expected to teach, model, and display mastery of respectful, responsible, and safe behaviors.

*Our focus for all students is I CAN! Be Respectful,
I CAN! Be Responsible, and I CAN! Be Safe.*

Student expectations are clearly communicated to all students and apply to the following settings 1) within the classroom, 2) while on school grounds, 3) during home-study days, at school sponsored enrichment activities, and lunch periods, whether the student is on or off the school campus, and 4) during, going to, or coming from a school sponsored activity.

Classroom Expectations

Springs classrooms are designed to support our personalized learning instructional model. Each teacher designs a classroom environment that is unique to the educational needs of the students. Teachers set student expectations for their classroom that ensure a safe and orderly environment that supports teaching and reinforces positive student interactions and behavior. Students that do not positively respond to classroom expectations through a variety of intervention strategies, or whose behavior is disruptive to the learning environment, may be removed from the classroom with a referral to the office.

Office Referrals / Home Contacts

In some cases, student behaviors do not get corrected, or are so severe that they do not allow for a safe and purposeful learning environment. By referring a student to the office, the teacher is seeking additional resources to assist in the correction of the behavior. At this point parents and school administration join the teacher in attempts to meet the behavioral needs of the student.

Incident / Complaint Process

Springs Charter Schools rely on all members of the community to work together to ensure a safe school setting for all students and adults. School administration and staff take all student and parent concerns seriously. Parents who would like to report an incident that occurred on campus or during school hours, or would like to file a complaint may fill out the Incident Complaint Form. Forms may be picked up at the front office on any campus. Administrative staff will address the complaint through the appropriate Springs process and notify each student's parent/ guardian of the outcome of their findings.

Confidentiality of Information

Due to federal and state confidentiality laws, unless otherwise determined by law, staff may only report specific information to the parent/guardian in regards to their own student.

Appeal Process

Parents/guardians who do not agree with the findings of the administrative staff may appeal the decision to either the campus principal or Temecula office administration.

Harassment, Bullying, Cyberbullying, and Sexual Misconduct

In order to ensure the safety and well-being of all students and persons within the Springs' community, administrative staff take all allegations seriously. Investigative proceedings are conducted in compliance with state and federal law and school policy. Students that are found to have engaged in any form of misconduct will be subject to the school's discipline policy.

Harassment

Students are occasionally the victim of harassing behaviors. While common in any school setting, such behaviors are not acceptable and will not be tolerated at any function of our school community. Harassment is defined as the act of annoying or bothering others in a constant or repeated manner.

Bullying

At Springs Charter Schools, we want each of our students to be safe, respected, and enjoy a positive environment at school. We are proactive in preventing unlawful behavior, including providing preventative education for our students and staff, offering a quick response to reports of bullying and harassment, making available school counseling to any students involved, and initiating appropriate school investigative and disciplinary actions as state law directs. We define bullying as any severe or pervasive physical or verbal act or conduct that is directed toward one or more pupils and causes a reasonable pupil to fear harm for themselves or their property, to have a substantially detrimental effect on his or her physical or mental health, or to cause substantial interference with their academic performance.

Cyberbullying

Cyberbullying is bullying through any electronic medium, such as emailing, texting, imaging, or social networking. We are committed to working with parents, law enforcement officers and school officials to discourage cyberbullying and to provide a quick response should such behavior occur. Our policies strictly prohibit any form of bullying, and we expect our students and anyone else affiliated with the school to comply with these policies.

We ask our parents to help us to prevent cyberbullying. If you observe this behavior and believe it constitutes a crime, please report it to the police immediately. Be aware of what your child is doing online during non-school hours, and establish appropriate rules about your child's use of technology. For more information about how to prevent and respond to cyberbullying, please go to www.stopbullying.gov.

Sexual Misconduct

Springs Charter Schools take all sexual misconduct incidents and complaints seriously. Sexual misconduct is defined as any conduct that is sexual in nature including sexual harassment, sexual assault, dating violence, sexual exploitation and human trafficking, stalking, intimidation, and child sexual abuse.

Consequences and Interventions

At Springs Charter Schools, we believe that consequences and interventions to violations of student expectations are most effective when they are progressive, and are made in response to some sort of student behavior incident. Not only are these situations complex, but understanding that consequences and interventions may represent "teachable moments" is fundamental to a positive approach to

discipline. Progressive consequences seek accountability and behavioral change. Except for single acts of a grave nature or multiple offenses, suspension or expulsion is used only when other means of correction have failed to bring about proper conduct or the student's presence causes a continuing danger to self or others.

Levels of Discipline

When students are disruptive or act inappropriately, school administrative staff shall determine the level of consequence and interventions needed to assist the student in bringing about expected conduct.

Levels of response to student misconduct include the following:

Level 1: Classroom Managed Responses

These consequences and interventions aim to teach correct behavior so students may learn and demonstrate safe, respectful, and responsible behavior. Teachers and school staff will try a variety of teaching and classroom management strategies, as appropriate.

Level 2: Administrative Responses

Consequences and interventions used in response to an office referral aim to correct student misconduct by stressing the seriousness of the behaviors while keeping the student in school. Interventions often involve support staff and aim to engage the student's support system to ensure successful learning, consistency, and changes in conditions that contribute to the student's inappropriate or disruptive behaviors.

Level 3: Administrative Removal Responses

Consequences and interventions at this level involve short-term removal of a student from the school environment due to the severity of the behaviors or because Level 1 and Level 2 responses have failed to bring about proper conduct.

Level 4: Administrative Removal Responses

Level 4 responses involve the removal of the student from the school environment due to the severity of the behavior or because Level 1, 2, or 3 consequences and interventions have failed to bring about proper conduct. Level 4 consequences may result in the student being recommended for expulsion from the school.

Level 5: Mandatory Recommendation for School Expulsion

Level 5 responses require school administrative staff to refer the student for expulsion from the school for acts that are specified in law.

Parent Notification of Disciplinary Action

At all levels of disciplinary action, the student's parent/guardian will be notified of the inappropriate behavior and consequences and/or interventions that will be implemented.

Grounds for Suspension and Expulsion of Students

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity for school attendance occurring at any time, included but not limited to:

1. While on school grounds;
2. While going to or coming from school;
3. During the lunch period, whether on or off the school campus;
4. During, going to, or coming from a school-sponsored activity.

Suspension Procedures

Suspensions shall be initiated according to the following procedures:

1. Conference: Suspension shall be preceded, if possible, by a conference with the administrative staff, student, and parent/guardian. The student will be informed of the reason for disciplinary action and the evidence against him or her. The student will be given the opportunity to present his or her version and evidence in his or her defense.
2. Notification: Every reasonable effort will be made to contact the parent or guardian by phone or in-person about the suspension. They will be notified in writing about the suspension and the date the student may return to the school site.
3. Suspension time limits: Suspensions, when not including a recommendation for expulsion, shall not exceed five consecutive school days per suspension.

Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within 30 school days after the disciplinary designee determines that the pupil has committed an expellable offense. In the event that the Administrative Panel hears the case, the hearing will follow a formal process, and a determination for expulsion will be made. Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. Upon mailing notice, it shall be deemed served upon the pupil.

The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of the charter school's disciplinary rules, which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the charter school to any other school district or school to which the student seeks enrollment
5. The opportunity for the student or the student's parent/ guardian to appear in person or employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses

Right to Appeal

The student or the parent/guardian may be entitled to file an appeal based on the school's Charter Document in Element J or the current Board Policy. The appeal must be filled within 30 calendar days following the decision of the Administrative Panel to expel the student.
