II. SSC Training

a. Review School Site Council

III. Annual Evaluation of the Title I Program

a. Review school's most recent iReady diagnostic assessment data

1. Identify areas of progress, needs, and performance gaps school-wide and for each of the school's student groups.

b. Report of Levels of Implementation of the Title I Actions and Services

1. Identify areas where expected progress have been made and areas where improvement is needed.

2. SSC makes recommendations for actions/services based on need (includes newly identified actions/services)

Concern over African American decrease in achievement noted by Shirley Jones and Anthony Alejandro. Discussed the success of having students focus on a single intervention. SSC agrees this sounds like a better plan for students.

IV. Complete Parent Compact Evaluation

Stephanie Goode moved to approve Parent Compact

Anthony Alejandro second

Motion carried

V. Evaluate Progress in Meeting the Goals of the School Plan for Student Achievement (SPSA)

a. Review school's interim assessment data

1. Identify areas of progress, needs, and performance gaps for each student group

b. Report of Levels of Implementation of the SPSA Actions and Services

1. Identify areas where expected progress is being made and areas where improvement is needed

2. Based on implementation and assessment data, evaluate the current effectiveness of SPSA actions and services

SSC suggests that parents have access to intervention progress on a weekly basis in order to target specific skills that need to be addressed.

Shirley Jones requested more intervention options for high school math.

SSC recommends ACEs for all high school math classes including Learning Center.

Ariana Courchaine moved to approve SPSA plan with suggestions

Yesenia Aguilar second.
